The list shall be detailed enough as to the job requirements and estimated time to accomplish (indicating max. points allowed). The committee chairperson shall solicit for volunteers at a regular club meeting, or asked the list to be published in the newsletter soliciting volunteers for the jobs. If time does not permit for either of the above, then e-mail to the membership by the chairperson, director or some other officer and a calling committee if it exists to those members not on e-mail shall suffice to fill this requirement.

In the event that no one volunteers for a specific job and the committee chairperson has to do that job, then the committee chairperson shall be awarded the points for the job in addition to the points awarded for being committee chairperson.
